There are two ways you can take your family on holiday break during vacations. One by chilling out doing nothing and other is when they learn and come back more aware, more conscious with hundreds of questions in their minds. Though both cost money but Nature loving people any-day prefer the second type.

Our distinctively tailored Trip organized by VELEMARK include itineraries associated to spiritualism, culture and heritage destinations having shrines, wildlife, snow peaked mountains, lush greenery which gives you the experience of Rural life, Local food, Traditional attires and many more. As per the rules of fixed departure, you will be having predetermined itineraries and fix departure date of the different destinations which cuts your travel expenses and give the chance to explore the well-known tourist destinations, enjoying to the fullest during your tours.

#### OPERATIONAL IMPORTANCE & ACTIVITIES:

Quality vehicle, well designed itinerary, traditional experiences via trekking trails, adventure activities, important monuments & sightseeing visits, authentic food, live shows Etc.

info@velemark.com

Living off the land is, for some, one of the best experiences they're ever likely to have and for others, a way of life. Organic holidays open up a lifestyle of health, sustainability and a deeper understanding of nature with VELEMARK offering a chance to delve deeper into how and why we should all live off the land and revel in our natural surroundings. Yoga retreats, bed and breakfasts or self-catering, once you've gone organic there'll be no turning back.
